- 32" wide drawers for longer objects such as pry bars, extensions, torque wrenches and other tools
- Heavy-duty 227 lb drawer slides
- Top three drawers are 5", 3", and 4" deep to organize a professional assortment of sockets, wrenches and essential tools
- Aluminum drawer pull trim, rolled edges on drawers and deep drawer pulls
- Monoprene vibration-reducing casters provide a smooth and quiet ride
- Corner gussets welded into each corner to keep unit square for the life of the tool box
- Heavy-duty 14-gauge bottom panel with caster stiffener to support loads on rough flooring
- Lock 'N Roll® prevents drawers from drifting open
- High security tubular locks with restricted keyway can be easily keyed alike to other tool storage accessories
- Designed as a stand-alone tool storage unit, will not bolt to other existing units as an end cab
