- Features a split top that slides out from the center to provide total access to a generous 7" deep top compartment
- Cart body is entirely welded double-wall design, not bolted, for lasting strength
- Two extra sliding drawers located under the sliding lid provide excellent working access to parts and work materials
- 4" SpeedDrawer included for small parts organization
- Rolled edges and a rear flange on drawers provide a solid feel to drawers under load
- Two shot-molded rubber/nylon corner bumpers on each corner help protect vehicles and shop equipment
- Full-length two-point locking lid and separate manual rear lock rod for drawers
- A massive 8" deep bottom drawer is 35" wide and will hold large bulky items
- Organize large sockets, use as a securable charging station for power tool batteries—designed to accommodate optional KAPS5 power strip
- The dual work surfaces are embossed inward around the edges to help keep tools and parts from rolling off
- Top compartment is pre-punched for power strip (KAPS5)
- More than 5" of depth beneath sliding drawers in top compartment—plenty of room for chargers and vertical socket storage
- Choose stainless steel or black bed liner coated work surface
