- Uninterrupted storage, 62" wide drawers through the entire unit—access to most used tools, with additional space for longer tools
- EPIQ™ Strength: Designed for a lifetime of use with more load capacity, the roll cab features a combination of our traditional corner gussets and standing seam construction with additional top, bottom and side support to create the strongest Snap-on® roll cab design
- Styling includes flush fronts and trim to reduce snag points and provide a fresh new look
- InPulse™ Drawer Action: Flush finish drawers with uncompromising strength are easier to open, easier to close and do not drift open
- ISO-Ride+™ System: 7 x 2" swivel lock mag wheels with independent torsion spring suspension for a smooth ride over rough surfaces—each wheel can hold a ton
- Customize with any/all of the EPIQ™ accessories; pair the new 36" end cab to add another bank of drawers, or even a power drawer to add charging capability—available with LED PowerTop™ to illuminate each and every drawer
